
National Rules

1. All required forms must be completed and **postmarked to the National Chairpersons no later than Friday, March 27, 2015** in order for Veterans to be eligible to compete at the national level.
2. Eligibility: Veterans must be **enrolled at a VA medical facility or Outpatient Clinic before entering** your local competition. An eligible Veteran can enter the local competition at only **one** VA facility per year. This facility should be the site where he/she receives their primary treatment. He/she can submit an entry in creative writing, dance, drama or music categories with a Veteran or group from another VA facility, but still represents and must go through his/her originating VA facility to enter the competition.

Note: Each **Veteran must work with a VA staff person from the VA facility at which he/she receives his/her primary treatment** in order to enter the competition, or risk disqualification.

3. All entries in art, creative writing, dance, drama, and music must be accompanied by the appropriate **entry form, and a signed, witnessed and dated 10-3203 form (Consent for Production and Use of Verbal or Written Statements, Photographs, Digital Images, and/or Video or Audio Recordings by VA)**. (Please use the forms provided in this handbook to make the necessary copies.)

4. No one Veteran will be allowed to enter more than three solo categories and three group categories in any one division and a Veteran can have only **one entry per category** in each division.

The divisions are: **Art** with 51 categories, **creative writing** with 19 categories, **dance** with 15 categories, **drama** with 21 categories, and **music** with 45 categories. Individual categories are listed within each division. Judges reserve the right to move an entry to another category if the one listed is not appropriate. First place ties in a category at the local competition **MUST** be re-judged at the local level as only **one entry for each category** will be accepted **from each VA facility**. A formal competition is not required at the local level but is strongly encouraged. All eligible Veterans should be given the opportunity to participate regardless of degree of talent.

5. Veterans are only permitted to enter through **one** VA facility's competition per year.
6. Veterans may not expand the number of their entries in any one division using a different name (for example: pen names, stage names, different artist names, etc.).
7. A single entry **may not** be submitted into two or more categories **within the same division**. It is acceptable for an entry to be submitted into multiple divisions if the rules are followed for each division.

The national chairpersons and judges of the competitions reserve the right to disqualify an entry if the above rules are not followed.
